ESCROW AGREEMENT

This AGREEMENT is made this _____ day of _____, 20____
between _____, hereinafter
referred to as "Applicant", the Borough of Milford Joint Planning Board and Board of
Adjustment, hereinafter referred to as "Board", and the Milford Borough Council,
hereinafter referred to as "Borough"; and

WHEREAS, Applicant is proceeding under the Land Use Ordinance of Milford
Borough and any amendments thereto, for approval of _____

located in Block _____, Lot _____; and

WHEREAS, the Board desires to establish an escrow whereby work required to
be performed by professionals employed by the Board will be reimbursed by the
Applicant as required under the provisions of the Ordinance cited above; and

WHEREAS, both parties feel that it is appropriate to reduce the understanding to
written form.

WITNESSETH: It is mutually agreed between the parties that:

Section 1. PURPOSES

The Board authorizes its professional staff including but not limited to Engineers,
Planners, Attorneys and such other professional experts as may be required to review,
inspect, study and reports on all plans, documents, statements, improvements and
provisions made by the Applicant in conforming to the requirements of the Ordinance
cited and referred to above. The Board directs its professional staff to make all oral
and/or written reports to the Board of its conclusions and findings derived from the
review, study, investigation and like or similar duties performed elsewhere authorized.
The Applicant agrees to pay reasonable professional fees incurred by the Board for the
performance of the duties outlined above.

Section 2. ESCROW ESTABLISHED

Applicant, Board and Borough, in accordance with the provisions of this Agreement
hereby create an escrow to be established in a separate account with the Chief Financial
Officer of the Borough of Milford.

Section 3. ESCROW FUNDS

Applicant by execution of the Agreement shall pay to the Borough, to be deposited in the
depository referred to in Section 2, such sums as are required by Ordinance. Execution

of this Agreement by the Borough acknowledges receipt of the sums referred to in Section 2, such sums as are required by Ordinance. Execution of this Agreement by the Borough acknowledges receipt of the sums referred to under this paragraph.

Section 4. INCREASE IN ESCROW FUND

If during the existence of this Escrow Agreement, the funds held by the escrow holder shall be insufficient to cover any voucher or bill submitted by the professional staff and reviewed and approved by the Board, Applicant shall, within fourteen (14) days from the date of receipt of written notice, deposit additional sums with the escrow holder to cover the amount of the deficit referred to above.

The written notice referred to in this paragraph shall be sent by the Board to the Applicant at the following address:

Unless otherwise shown, receipt shall be presumed to have occurred three days after mailing. The notice required under this paragraph shall be given by the Board.

Section 5. TIME OF PAYMENT

The professionals referred to in this Agreement, upon the conclusion of their services or periodically during the performance of their services, shall submit vouchers of the type and kind referred to under this paragraph. Said vouchers shall include the amounts of fees and costs incurred as a result of the services set forth under Section 1 of the Agreement.

Section 6. BOARD REVIEW

The Board shall review the vouchers submitted by the professionals to determine whether the services performed in the manner and to the degree required by this Agreement. Upon making a determination that said services have been performed properly, the Board shall process said vouchers in the same manner as normally employed for the Borough. At the conclusion of this processing, the Board shall recommend to the Borough Council that the amounts specified in said vouchers be established pursuant to this Agreement and paid to the respective claimants.

Section 7. APPLICANT'S OBJECTIONS

The Applicant shall have the right to make periodic inspections of the records maintained by the escrow holder to determine the status of the escrow at any point of time. Where the Applicant objects to the payment of any voucher from the escrow fund, he shall have the right to appeal, upon three (3) days notice to the professional involved, to the Board to determine whether the payment objected is proper. The standards of review to be utilized by the Board in determining whether said payments are proper shall be whether the fees incurred are reasonable and whether the work has been performed properly. The Board shall afford the Applicant and the professional an opportunity to be heard and shall render its decision at its next regular meeting.

Section 8. INTEREST ALLOCATION

Any and all interest accruing the deposits made and held in escrow by the Applicant shall revert to and become the property of the escrow holder as compensation for the services rendered in connection with this Escrow Agreement.

Section 9. RETURN OF OVERAGES

After all expenses referred to in this Agreement have been paid and the Board is satisfied that there will be no further submissions for payment in connection with this Application, the Board, by resolution, shall authorize the return to the Applicant of any and all funds remaining in the escrow account. Return of such overage shall not relieve the Applicant of the obligation to pay for any expenses of the kind and type covered by the Agreement should the same arise in the future in connection with this application or in connection with any subsequent amendments or revisions to the within application.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

D. Inspections and tests.

- (1) Prior to beginning site preparation and/or construction, the developer shall arrange for a preconstruction conference between the developer, contractor and Borough Engineer. The Borough Engineer shall be notified by the developer at least five days in advance of the start of construction. The cost of inspection shall be the responsibility of the developer, who shall reimburse the Borough for all reasonable inspection fees by submitting a certified check or money order to the Borough Clerk. This fee shall be in addition to the amount of the performance guarantee and all application fees as outlined above and shall be deposited initially in accordance with the following schedule. Upon completion of the development and all inspections, the developer shall receive an accounting of the expended funds. Any unexpended funds shall be returned to the developer. Should the initial deposit be insufficient to cover inspections and costs, the developer shall deposit additional sums upon notice of the Borough Clerk, each additional deposit being in an amount not to exceed 50% of the initial deposit.

Estimated Construction Cost	Inspection Fee
Under \$5,000	\$350

the notice from the obligor of the completion of the improvements, except that no approval or partial approval shall be granted until an acceptable maintenance guarantee has been submitted and approved by the governing body to cover the improvements. Where partial approval is granted, the obligor shall be released from liability pursuant to its performance guarantee, except for a portion sufficient to ensure completion of the improvements not yet approved, provided that 30% of the amount of the performance guarantee posted may be retained to ensure completion of all improvements. Failure of the governing body to send or provide such notification to the obligor within 65 days shall be deemed to constitute approval of the improvements, and the obligor and surety, if any, shall be released from liability pursuant to such performance guarantee for such improvements. The time allowed for installation of the improvements for which the performance guarantee has been provided may be extended by resolution of the governing body. As a condition or as part of any such extension, the amount of any performance guarantee shall be increased or reduced, as the case may be, to an amount not to exceed 120% of the cost of the installation as determined as of the date of passage of the resolution.

- (3) If any portion of the required improvements are rejected, the approving authority may require the obligor to complete such improvements, and, upon completion, the same procedure of notification as set forth above shall be followed.
- (4) Upon request of the developer in writing by certified mail, with copies to the Joint Land Use Board and Borough Engineer, the governing body may reduce the amount of the performance guarantee after considering the report of the Joint Land Use Board and the Borough Engineer. The performance guarantee retained shall be sufficient to cover the cost of uninstalled, uncompleted and defective improvements, engineering costs and an amount equal to 15% until accepted by the governing body and until covered by a maintenance guarantee. Agreement to reduce the performance guarantee in accordance with this provision shall not constitute approval or acceptance of any of the improvements by the governing body. The reduction shall first be in the surety portion of the performance bond and only in the cash portion after all the surety portion has been released.

§ 20-8. Limitations on plat approval.

The approval of any plat under this chapter by the approving authority shall in no way be construed as acceptance of any street, drainage system or other improvements required by this chapter, nor shall such plat approval obligate the Borough in any way to maintain or exercise jurisdiction over such street, drainage system or other improvements. Acceptance of any street, drainage system or other improvement shall be implemented only by favorable action by the governing body.
